“ *What an awesome man! I've known John and his family all my life 68 years. As a child I always cherished the love and kindness he and his family portrayed upon my life. I'm not sure John knew the inspiration he had in molding me into the man I am today, but I want the world to know I have much love for this family. I always looked forward during my worldly military travels towards visiting he and his family when I was in town. I never got around to asking John if he was a Christian, but his mannerisms were very Christian like. He will be missed by the multitudes. John, I'll always carry you in my mind and heart. God Bless this Wonderful Family!!*

“ *Very sad news. Jon was the best neighbor anyone could possibly have. Always ready to help you if you needed it. Jon helped give CPR to my Dad the night he had a heart attack. This helped keep Dad alive for many more years. I'm thankful that John was my good neighbor and friend when I lived in Nitro.*
