

Gerald K. Perry

April 13, 1934 - March 23, 2019

Gerald K. Perry, 84, of St. Albans, WV, went home to be with the Lord on Saturday, March 23, 2019 following a prolonged illness.

Born April 13, 1934 in Boone County to the late Charles F. and Nina Cook Perry. He was also preceded in death by a brother, Elwood Perry.

He served in the WV Army National Guard and the U.S. Army from 1956 - 1962, wherein he received an Honorable Discharge. Perry received a Bachelors of Education (1955) and Masters of Educational Administration (1962) degrees from Marshall University.

He served the state of West Virginia's students throughout his career, first as an elementary teacher/coach/principal in Sharples, WV and St. Albans, WV. Gerald served as an Extension instructor at Glenville State College, WV University, Beckley, and at WV State College in Institute throughout the early 1970s. He was a coordinator for Kanawha County Schools during this same period of time.

Gerald moved to the WV State Department of Education, where he would serve for the remainder of his career in various roles. He served over 20 years as the state's Coordinator of Textbook Adoptions in the Bureau of Learning Systems, a position which led him to hold national offices in various education

associations. Most notably, he was elected president of the National Association of State Textbook Administrators (NASTA) in 1980.

Education was always first and foremost his passion and duty.

Gerald was a member and officer of Highlawn Presbyterian Church in St. Albans for decades, the congregation of which he truly loved and cherished.

Upon retirement, Gerald enjoyed spending time in Cherry Grove, SC where he fished regularly and made friends daily, spending part of every year in the oceanside town that he considered to be his second home. He was widely known and loved by those in the Cherry Grove community.

Attending Marshall University football and basketball games was a passion of his, supporting the teams and school that he so dearly loved. Gerald was a season ticket-holder at Marshall football games for most of his life, and rarely missed a game.

Always making friends, Gerald loved getting to know new people from every walk of life. He never met a person who was a stranger.

Gerald is survived by his wife of 61 years, Ruth; two sons, Geoff Perry (Lori Caldwell-Perry) of Charleston, WV and Greg Perry (Jennifer Leyden Perry) of Huntington; three grandchildren - Julia Perry of Huntington, WV, Audrey Morgan (and husband Bud Morgan) of Indianapolis, IN, and David Godwin of Charlotte, NC; one great-granddaughter, Riley Morgan of Indianapolis, IN. “ My staff and I and our entire fishing community were profoundly sadden to learn of Gerald's passing. He was a fixture here at the Cherry Grove fishing pier for years. We all looked forward to Gerald's return each spring. There was no mistaking Gerald when came through the door pulling his fishing cart. Green pants, green shirt and his floppy green hat. The two things he love the most was fishing for Flounder and talking about his beloved Thundering Herd football teams passed and present. No matter if the fish were biting or not you could set your watch because at 6 pm sharp he was out the door for this standing date at home. Memories of our friend will live on as long as fisherman share their stories of the ones caught and the ones that got away.

“ My brothers and I always had much respect for uncle Gerald as we got to visit the family about every year during the '70s. He was a high energetic, busy man, but always found time for family. Lost touch over the years, but many good memories. My condolences to Ruth, Geoff, and Greg. God bless you all.
