“ I only found out today that Andy passed which shocks & saddens my heart. We lost touch after high school and over the years I have searched phone books & online but never found his number or address. I spent time with he & his family back in high school and with Winfield Strock as we drove around all night seeing what mayhem we could get into. I have missed him for a long time and am sad we never got to reconnect. My condolences on your loss.

“ I worked with Glenn at Avizent in Charleston WV. We joked around alot and went to lunch at the Bears Den on Capitol Street and shot pool on several occasions. I just found out my friend passed today 8/10/2021 by another one of my old co-workers, I am not a facebook guy so I was not in the know. I will keep the memories and the times he and I joked around with one another fresh in my mind. I will miss this dude.

“ I worked with Glenn for several years handling litigated Florida workers' compensation claims. The work was difficult, but he always handled it with a great sense of humor. I always enjoyed interacting with him over the phone and on visits to Charleston. He was one of my favorite people I've ever worked with in this industry. This news hit me hard. Glenn was a great guy and I will miss him.
