“ I worked for Eppie's husband, John, at WV DHHR for a few years
back in the late 90s and early 2000s and met her then. What a
beautiful person inside and out! Turned out she was working with
my husband at UCC. I know that you are at peace with our Lord
Eppie. Thoughts and prayers for her family.

“ *Eppie and I worked together at the office of Kimberly Skaff, MD for several years. We had many good laughs together and she charmed every patient who came into that office. I was saddened to hear of her passing and my prayers are with her family, whom I didn't actually know except through the many stories Eppie would tell. Because of those stories you occupy a very warm place in my heart. Sincerely, Beverly Johnson*

“ *My condolences to her family and her Mother Mrs. Dalton. I last saw her in November 2013 at the Logan Street 1st Baptist Church anniversary. She was so sweet and friendly and I teased her about owning the biggest BMW I have ever seen in my life. Her journey is over and outs continues. RIH*

“ The world will miss this light! Eppie always a ray of sunshine. I have known the Boles family since teaching JD to swim at Hilawn Pool 1977-78. I love these two beautiful people. I have enjoyed them over the years. Eppie always the same sunshine and light in this world no matter when, where or under what circumstances. She was just as beautiful on the inside as she was on the outside. I ran into her a few weeks ago going through the drive through at Tudors as she was coming out. I automatically rolled down my window and shouted out to her and told her I loved her. So happy to be able to keep that last memory in my heart. Her devotion to John and their love for one another was beautiful to witness over all these years. I never pass their house that I do not have a smile on my face just thinking about the joy both of you brought to the world. One very special lady that made a difference to everyone she ever came in contact with. Prayers for John and JD.

“ John and family, I am so sorry to hear about Eppie. I so enjoyed working with both of you at the Mingo County Department of Welfare back in the 1960's. She was one of the most positive people and her loss is a great one. God bless you and I will keep you and the family in my thoughts and prayers.

“ John: My condolences for your loss of your wife and best friend for more than 52 years. I have valued our friendship since we were both in Williamson. I think the last time I saw you was at a Little League football game in Charleston. I think your son, John, must be the same age as my son, Courtney. I know you will continue in your faith and good works.

Sincerely,
Howard M. Persinger, Jr.

Mrs. Dalton and John, I was saddened to learn that Eppie had lost her long battle with Cancer. I know you loved her dearly, and so did everyone who knew her! What a wonderful mother you have been to her, Mrs. Dalton, by caring for her and staying by her side until the end. I have always loved and respected you, because of the marvelous lady you are and taught Eppie to be, inside and out! My Love and prayers are with you. Jada

Mrs. Dalton, thank you so much for letting me know about the passing of your daughter. I met her at high school reunions in the years since John and I graduated. John and I became friends when we had Spanish class together. My husband and I so enjoyed the times we spent with John and Eppie at those reunions. JD, thank you so much for contacting me when my sister left a message on their facebook page. I was thinking I had lost contact with them. John was a wonderful friend to me and I know Eppie was devoted to John. They were a beautiful couple! Please be sure to remember me to John and tell him he's always in my thoughts. Ann Seaton
