“ We appreciated all of the work Grace did to make the Parsons reunions so enjoyable. I remember her talking about my dad Harrison ribbing her as a child. My aunts and uncles were very close to her and her siblings (Oscar’s children) when they were growing up. Our condolences for your loss. She touched a lot of lives.

“ Kim: I was thinking about Grace recently, wondering how she was. Perhaps in my spirit I sensed this loss. Grace was my friend Judy’s too) for years, even as you and Diane grew up. Your Mom lived up to her name-gracious and kind to all, animals and humans. I have missed Grace. We, my family are sad for you send you love and hugs! Vicky

“ Grace was my Girl Scout Leader and also my sponsor in the Keep A Child in School Program. I am truly a life that was changed by her compassion and kindness. Grace would make sure I had what I needed but most of all she gave of her time to me. She shared wisdom beyond my years at the time that I have kept tucked into my heart. She took me ice skating, bowling and so many other places that I would otherwise not experienced. I loved Grace and she showed me so much love over the years. Even as an adult I would run in to Grace and we would talk forever just getting caught up with each other. She never stopped caring about me and I never stopped loving and appreciating her. I am so thankful the God placed her in my path all those years ago. and I am so sorry for the loss of your Mother/Grandmother.... She truly was a remarkable woman with a heart of gold.
