“ Sue was our wonderful neighbor on Knox Ave. in the 70’s. We went on many walks and I was Shane’s babysitter. After she moved we would always somehow run into each other and bring each other up to date with our lives. Sue ALWAYS had a smile on her face. She was a very compassionate person. I am so sad to see that she has passed.

“ I just want to send my sincere condolences to Sue’s friends and family! I was friends with Sue when we were teenagers! We would sit in the swing and chat away like high school girls tend to do! I also would help her deliver newspapers through Van! She was the sweetest and kindest person! So happy that I knew her! Wishing the family a lot of wonderful memories!

I met Sue in church. She always had a smile on her face. I talked to her during her illness and prayed for along with the others of First Baptist Church of South Charleston. She has been missed from services. Carla Walker looked liked she was missing something without Sue by her side. We will miss her but thankful all her suffering is over. We will be praying for her family during this time of loss.
