“ *Michael, Diana, and Family,
My deepest condolences to you all. I have many memories of staying all night with you all when we were growing up together. I still laugh when I remember that time Mike and I borrowed Lufawn’s beekeeping gear and had a bee adventure of our own! I have many fond memories of great times at the Slider house.
Love and prayers,

“ *So sorry to hear of Lufawn’s passing. He was a dedicated employee of KYLE furniture and a dear friend of our family. He was at KYLE as long as I ever remembered. My father trusted his judgment in furniture buying and his loyalty throughout the years.
We always enjoyed his bringing in the honeycombs from his hives! The best honey around and then there were your mom’s pies !
Thinking of all of you at this time. He was one of a kind. ❤️🙏
