“ When I went to work for International Fiber in 2000 I met a man Henry Hamrick who took me under his wing and showed me how things worked there. Henry was a good man and he was happy the day I told him I was leaving the plant to pursue the Army a path he once walked also. Then the Lord brought him back into my life a few years ago when Henry and his wife Libby came to Lower Falls Baptist church and they both recieved Jesus Christ and was born again. I know where my buddy Henry is I have no doubts so Henry hold the fort down up there in Heaven your eyes have seen the glory and wonder that's up there your eyes have seen Jesus Christ. Henry is more alive now than ever and I'm looking foward to seeing him again soon.

Our family has such fond memories of our good friends, the Hamricks, who were our neighbors on Harmon Road in North Kingsville, Ohio many years ago. Our hearts are saddened to receive the news of Henry's passing. We send our deepest sympathy to Libby, Theresa, Laurie, and families. Your family and many memories of happy times are in our hearts forever. We do remember the great sense of humor that Henry (Floyd) had and his devotion and love for his family. “ I met Henry when i went to work at International Fiber 1984, although i had never met him, i felt like i had known him all my life, that was how Henry made you feel. I will never forget the times we went hunting at Cornstalk, and the day he killed the big rattlesnake and bought it to the plant to show me. Wayne told me he was in bad shape and i am sorry i did not get to see him again before he left us. He was a good man and will be missed by those who knew and loved him. I am sure he is hunting what ever Heaven has to offer.

“ Henry was one of the most personable individual I have ever met. He always had a smile on his face and very quick witted. He was a treasured employee of International Filler and speaking for many of the employees he was one of a kind that has left a mark on our hearts and memories and we will never forget him. Rest In Peace our friend.
Libby and family my sincere condolences to your loss you will be in my prayers.
Sincerely,
Denise Morris
