“ Huey and Rose were newspaper customers of my husband Ronald Poff for 35 years. He would often be outside and ready to receive his paper.

He was always friendly and happy to engage in conversation about current events.

He will be missed and in our memories forever.

“ I have known Hacksaw all my life, he and my dad James Meddings (Porkchop) were good friends. I can remember Hacksaw spending many hours at the West Side Fire Dept. working on the trucks, and when he wasn't working on something he would just sit outside and wave at everyone who went by everyone knew him. He was one of a kind and will be missed by those of us who knew and loved him, we lost a very good man.
