“ A great guy and true friend for many years. I always knew Albert was just a phone call away if I ever needed help with anything. So many good memories on the trout streams with the go to lure of the black & gold rooster tail. You will be missed by many my friend. Rest in peace.

“ I haven't seen Albert for several years now. Life has a way of keeping people apart, but he is in some of my favorite memories. Some of my wildest ones too. That boy loved to fish, and to this very day I keep a black and gold rooster tail hanging on my rear view mirror because of him.

I introduced Albert to fast water trout fishing and the "black & gold" rooster tail in the mid 90s. Since then it was always "black & gold" a must have to trout fish. Many great memories with him on the fast water streams troutin.

“ I don't really even know what to say, except that I loved him for a very long time, even after we moved on to find other relationships. We remained friends and I will miss being able to talk to him. I'm glad he was able to go pretty fast without lingering on to suffer. Xoxo

“ Here is a picture that I have of Albert for anyone wanting it. This is a picture that I took one day when he was at our old place with my sister whom I love and miss dearly. He was a good person at heart and he like anyone else had their flaws and made their mistakes but I know deep down that he is loved by all and is gonna be missed by many and I'm praying for everyone that knew him and for his family. Rest in Heaven Albert... hug and kiss my sis for me ❤️ -Shante'

My great nephew that I loved dearly. There was nothing he wouldn't do for me if he knew it needed done. I was the last one to talk to him that morning and he assured me that everything was well with him and Jesus. He like 99% of the people in the USA traveled down a long dark road. Not to many make it back from the life destruction. I was thankful that he told me that he had already made peace with Jesus. I was able to let him go and he went home to be with Jesus that morning.

“ - When you can't find the light, that got you through the cloudy days. When the stars ain't shinin bright, you feel like you've lost your way. When the candlelight of home, burns so very far away. Well, you got to let your soul shine, just like my daddy used to say. He used to say soulshine, it's better than sunshine, It's better than moonshine. Damn sure better than rain!

I love you so much Bub! Since I was little I always looked up to you. We had some fun memories that I'll always cherish. Some I can't mention but man, they sure was funny. I was SO proud that you were MY COUSIN!

*I'll catch ya on the flipside Albert. But until then,
LET YOUR SOUL SHINE!!!*
