“ Jim Perry was one of the finest men I have ever known. He was a true Christian which he demonstrated throughout his life, He was an active member of the First Baptist Church for decades. Jim loved St. Albans and was proud of being a Red Dragon. He was a charter member and a great supporter of the SAHS Hall of Fame committee. Jim loved his family. He and Debbie did everything together and their marriage is a model to all couples. He always supported Jill and Jeanna and their children in everything they did. So often you hear it said that a person will be missed by many. Jim will be truly missed by an untold number of people from here in St. Albans and around the country. I will choose to remember Jim with his ever present smile and his willingness to talk about anything related to sports. I pray that the grace and peace of our Lord and the memories of all the good times help Jim's family in the days ahead.

“ *Jim was a terrific classmate of mine (SAHS '61) and good friend. I can't remember anyone having a bad word to say about him. A genuine, sincere guy with a great smile. Even at an early age, Jim was a gentleman. My sympathies to Jim's family. In this time of sorrow. Remember how lucky you were to have Jim in your lives. RIP Jim,

“ I met Jim after Jill and I started working in the ED together in 2013. Turns out he was best friends with my dear family members, Bob and Pat Gregory. Jim ALWAYS had a sweet smile on his face and would ALWAYS brag on his grandkids to me. He loved Debbie, Jeana and Jill with all his heart and soul and told me how proud he was to have such a wonderful family. This world will truly miss him but I praise God that we will be reunited with him once more! He is now in a far better place than all of us which is a true comfort. Jill- I love you. I know you know this but I am here for you in every possible way. Losing a parent has been a devastating loss to me as well and I completely and fully understand the pain you are going through. May Jim rest in peace.

“ Jim and my sister were friends back when they were in high school. Jim would let me come to his house and play with his train sets so his love for trains started at an early age. He was a great guy then and he remained a friend long after that! My thoughts and prayers are with the Perry family.
