“ Thinking of you and wanted to express my warmest sentiments and deepest sympathies to Donnie & Tina and her beautiful grand children. She loved her family so very much. Michael and I were neighbors for a long time. I will always remembered how she loved to decorate for Christmas. Many of time I spent in her kitchen sharing a cup of coffee. We become very close. I use to go to her house for Christmas Eve dinner and she would come to my house on Christmas Day. I have been in NC for 23 years now and I will always cherish fond memories of her. Take pleasure that she was a beautiful lady with a kind heart. Our prayers and thoughts are with you all.

“ I am so sorry to hear of Janet’s passing. I worked with Janet back in late 70’s and early 80’s. We became very good friends. Us girls stayed all night with her while Don was away and had the best time. She was like a Mother to us. I was with her when she got the call of her sister passing and I had to drive her jeep to her because another lady had taken Janet where she needed to go and I could barely drive a standard but I jumped it to where she was lol. It was a sad day but we had some laughs over me driving that jeep. She was a beautiful lady always dressing the finest and would do anything for you. Janet will be missed. She was a special person to me. I have great memories with her and Don and remembering when she had Donnie. She loved her family. God bless you all. If I can do anything please let me know.
