“ This one hit deep! I worked with Jared at Walmart and what a great great guy he was. I've never seen nor met another human being that knew so much about electronics as he did, even the customers only wanted to see or talk to Jared about stuff & if he wasn't at work they said they'd come back when he was there. Such a sweet beautiful soul we lost and my heart is so heavy right now ! Jared, you will forever be missed and never forgot about! All my love.... Belinda King
