“ I will never forget when Jeanette and I were roomies in Israel. We were the perfect fit! We always said that one day we were going to start our own kibbutz in Israel! It became a wonderful connection between us. I will miss her deeply.

“ When I think of Jeanette I think of her radiant joy and bubbly personality that will certainly be missed. Our Lord said, “Truly I tell you, unless you change and become like little children, you will never enter the kingdom of heaven.” To me that captures Jeanette. Loving children, working with children, she related to them because that’s how she lived. Discoveries, wonder and excitement. Every day was new. She believed in them and she believed in our Lord. And now she is claiming His promise “Therefore if anyone be in Christ, they are a new creature: old things are passed away; behold all things become new.”  
May God comfort Ray and all of the family as she has entered in to the joy of her Lord.

*This summarizes Jeanette. She is so child like yet so full of knowledge and wisdom and insight. She is full of God's unconditional Love and she expresses it in everything she does everyone she comes in contact knows she lives Jesus. She is a treasure and I'm so very thankful for the honor of knowing, fellowshiping and being her friend. She was a force in the Kingdom of God she was a Worshipper, and Prayer Warrior who didn't question when she prayed she expected.*

*She loved God but she also loved Ray and her children and all her family.*

*The legacy she is passing on is an honor to her family. The faith of the Grandmother passed down by the laying on of hands. Love you Jeanette, it has truly been an honor. I can see you running, dancing, praising and bowing before the Lord. Asking questions and asking God to send people to lead others to her family and the world especially little children to become disciples of love for Jesus.*

*I pray God sends His Holy Spirit to comfort, fill Ray and his family with love and peace and may feel God's love in a way they have never felt before.*

“ *She was a dear friend for many years. Lost contact a few years ago....but the love she showed me will never fade. I know where she is and that she's happier than she would have been at the north pole. Heaven is sweeter than ever. I'm sure she is playing with the children in heaven right now. See ya soon....*

“ I’m So sad to hear that Jeannette has left us here. Spent many times with her at MFC in Children’s ministry and as part of women’s praise team in women’s ministry. Roomed together on several trips with women’s ministry. Got to be good friends over the years. Loved her very much. Talked on phone several times after she got sick and God moved us to other ministries. Tried reaching her just a few weeks ago when she was on my mind for some reason. Was not able to reach her by phone. Love you Jeanette. You will be missed. Prayers for Ray and her family.
