“ I am truly heartbroken to hear about the passing of your father. There are no words that can fully capture the depth of the loss of a father, especially for a family as big and loving as yours. He was not just a father but a pillar of strength through his humor, generosity and love—someone whose presence shaped and guided so many lives.

May you find comfort in the countless memories, in the lessons and in the love that will forever bind ALL of you to him. His legacy lives on in each of you, in the way you support one another, in the values he passed down, and in the stories that will continue to be told for generations.

Please know that you are in my thoughts and that I am holding your family close in my heart during this difficult time. If there is anything I can do, please don't hesitate to reach out to me. I'm always here, waiting for a call to help or comfort. You are loved and welcome.

“ Jerry's passing brings sorrow to hearts, but to be at peace in Heaven with the Lord is the greatest thing that could happen to us. I have given up Mother, Father, and husband(Robert). Robert and Jerry were more than just kin--they were friends for many years. May God be your comfort in days to come.

“ We have only known Jerry for a short 6-7 months, but we feel like we have known him our whole lives. He was a pleasure to have at Pleasant Hill Baptist and brought so much joy to the church. He was always willing to help in any way he could. He loved serving the Lord and being in fellowship with his sisters and brothers in Christ. He always had a joke or a funny comment to say and a piece of candy to share. We will definitely miss him, but one of these days we know we will see him again.
