“ *Aunt Jewel was like a sister to me, only 5 years apart in age. She helped me through some difficult times in my life. I loved just sitting around talking and laughing with her. Her nickname for me was butter finger because I'd stick me finger in butter and eat it. She thought that was so gross and never let me live it down. But that's what sisters do, right. I loved it. I can't physically be at your home going celebration, due to my illness, but I am there in spirit. I will see you in heaven someday, you will call me butter finger and we will bust out laughing. Looking forward to that day. Love you Aunt Jewel.*
