“ There are just no words to describe how I am feeling right now. Your mom was always there when I needed her the most. She taught me so many things and had a gentle way of making me face reality. Every time I crochet, bake, sew, read, or do any kind of craft, I think of her. I know she loved her family and was so very proud of all of her children, grandchildren, and great-grandchildren. I want you to know that I am truly going to miss her. Grace and Peace be with you all.

“ Steve and family, I am so sorry to read of the passing of your mom. What a beautiful woman she was, inside and out. I have many wonderful memories of her from our time in high school, including a beautiful shaw she knitted for me as a graduation gift. You were a wonderful son to her and I hope all your many memories wrap around you at this time! My deepest sympathies ❤️
