“ Jo Ann was a wonderful friend and co-worker . At times she would join Cathy (Holsclaw) and me and others during our daily lunch walks in Kanawha City. We enjoyed those walks when we could get away from a busy workload and just talk and laugh together. She will truly be missed. Prayers with her family who she talked about many times.

“ Loved Jo! She trained me when I first started working at Workers' Comp. back in 2002. I remember her as one of the sweetest, most patient persons I've ever met. Prayers for her girls and family. She will be missed by so many that loved her.

“ Kathy, Karen and Tammy we are so sorry for your loss. Fondly remembered will be the good times and laughs your mother and I and the rest of the crew shared while working at Morris Square and in Kanawha City. She brightened the place up, as I'm sure she did wherever she went. Jo Ann, you will be missed by many.
