“ *The Dean family home was a place many of us considered our 2nd home as the door was always open. I spent many days there and considered them my second family. Johnny and I have had many fun times and have gotten in trouble together plenty. Mom and dad latched with us and doled out needed punishment when needed. The Dean family treated me like an adopted son and I will always miss and love them like my own mom and dad. I will miss Mister Dean and pray he has rejoined Mom in heaven.*
