“ I have lots of memories of John and Eileen from St. Peter's days, but I'll share just a few. I remember the red Ford Galaxie that you all had for years. I remember Eileen playing organ or piano during a service. I remember John's friendly way and warm smile. I even remember visiting you all in May of '69 and watching TV with John while Apollo 10 was in low orbit around the Moon. Most of all I remember Teresa, Becky and Melanie when they were sweet little girls, and I will ask the Lord to give His comfort to all the family.
