“ Trusting God will bring peace and comfort to Johns family as you work through this difficult time. We were classmates in the NCHS Graduating Class of 1958. As band members we enjoyed many nice functions.

“ Mary Jane and I extend our deep and heartfelt condolences to Linda and family in the passing of a good and Godly man. John was my cherished friend and professional colleague in higher education for many years. Not only did we work together but we were commuting partners from Teays Valley which afforded us many hours to share events in our personal lives but also our spiritual journey He was the consummate professional and a man of values, high principles, and loyal friendship to so many he touched. We mourn his passing but hold on to many precious memories.

“ *I had the pleasure of working with John during his many times he served as a legislative advisor with the West Virginia higher education system. John was a true professional and gentleman who quietly shared his knowledge with his coworkers. I have fond memories of those years.*

“ *There is not enough room to share my thanks and love for Uncle John! He was always supporting and encouraging us! He was committed to family. When Dad passed He and my Mom's family were right there when others weren't. WE had some really fun times even with his dry sense of humor. Again, too much to share but thank you Uncle John for helping me become a man in many ways.
