“ *My heart and prayers goes out to the Wade Family. May you all be blessed and comforted by the Holy Spirit.
I worked with John at RPS, and he brought a lot of joy to all of us with his humor and positive outlook on life. I remember him always having a full cup/mug but typically a thermos of coffee in hand, as he told his stories of the day.
God Bless You All.*

I was sorry to get this news yesterday. Our hearts are hurting also for all of you. Your dad was a big impact at NLC in my families life. Your mom prayed for out mother and lead her to the lord. Your dad always smiled, shake our hand, and say “God Lives you, do you really know him ? “
He will be missed in this earth by so many of us but He is walking in those streets of Gold. We will continue to pray for your family. We know Gods anointing will be there with you tomorrow.. love you all,

John was a great coworker but was much more than that. He was a good friend! I would come to work at 5 or 6 am and he always had snacks! He was very fond of ginger snaps and corn chips! I cleaned up corn chips off the floor many mornings! You definitely will be missed my friend! I love you!!!

“ I was the RPS contractor that purchased John's route, I was informed by all the people in S. Charleston that I had a big pair of shoes to fill and they reminded of that for quit a while. I will never forget when John was training me, he would pull up to certain business's beep the horn, they would open the door, he would start talking to them as he was getting the boxes together, stack the boxes inside, continueing to talk, go to the coffee pot, empty the pot, continueing to talk on the way out the door, then he would remind them that they needed to make more coffee. I am proud to have know such a wonderful grumpy God fearing man. Rest in Peace John, you will be missed.

“ My sweet, grumpy, adorable, feisty, hard working daddy, I don't even know how to begin to process the reality that you no longer walk on this earth. That I'll never be able to call you in desperation because something doesn't work and here you say "ok ok calm down I'll be right there" or feel the comfort of your hug that never held judgement.... only love. Rest now daddy, your working days are over and although my heart is broken and aches, I know you are in no more pain singing off key with the angels and at that appointed time we'll be together again. I love you!!!!
