“ I'm so sorry to hear of Johnny's passing. I have fond memories of going to Gordon's with my dad when I was younger. I'd always see Johnny and Dave there, it was always entertaining especially what all Dave got into. Johnny was always so kind. I always looked up to him. He was a great guy and athlete in school. Although I went to Scott, I followed him and would root for him even against us. I never knew of anything bad about him. He was a true gentleman and great person and especially son, husband, brother, and grandparent. A great loss to his family and community. ❤️🙏

“ What can be said that hasn't been said already? Johnny was and always will be one of the nicest and genuine people you'd ever meet. I know there's not one person out there that could say one bad word about him! I've known Johnny since I was a kid and didn't realize until I was a little older that we were related. My thoughts and prayers go out to his wife, Caroll, his kids & grandkids, his parents, Gordon & Linda, and all of his extended family. We've lost a great one. You'll be truly missed, cuz!

They did not come any better! We grew up at the right time and place, together, Bob White! I constantly have him on my mind, reliving our childhood, he was the best! He will be missed and Bob White will never be the same without him and I know everyone that grew up with him will agree! I miss that feller so much, it hurts! Michael Vance/Ghokey
