“ Pat I'm sorry for your loss I know sometimes he could be a thorn in your side, but he really was a good man. I remember that night we was on your deck and he wanted me to show you my handicap walk and I didn't know how you would react. But I did it and all 3 of us laughed for at least a hour. That was the best night I had in a long time. My love and prayers are sincerely with you and your family. He was like my brother.

“ *To Pat and the rest of the family, I am deeply saddened by the news of Jonathan's passing. My husband David and I enjoyed getting random visits from him displaying his new treasure finds, especially the comic books. Our thoughts are with the entire family during this difficult time and in the coming days ahead.*
