“ *I'm very sorry about the loss of Joe. Joe loved his family and was always there to support those less fortunate. He loved Jan and Julie so passionately, as well as his deceased grandfather. I have so many fond memories of his grandparent's home, as well as his parent's home. I will forever carry a love for him. Thank you, Judie, for your continued, unwavering love for him, he felt it always with him. Rest in peace with my compassion and young heart.*

I am so sorry Judy. I can remember you bringing Joe to the office and how he was always so polite. We watched him as well as your girls grow up. We shared many stories about family. Joe had a lot of talent but most important he had your big heart.. Please know you are in my thought and prayers. Much love to you, Paul, Jan, Julie and the rest of the family.
