“ I met Joyce at Orchid lake RV Resort about 20+ years ago. She was a lovely southern lady through and through. At our variety shows she was the best “Minnie Pearl” ever. I tried get touch with over the years to no avail. RIP Joyce I was happy to have met you!

“ Joyce loved her grandson, Dylan Parker, with all her heart. She was a sweet mother in law to me when Bill and I were married. She always enjoyed coming in every week to get her hair done and of course every five weeks colored. I hope I am allowed to tell she wasn't a natural brown shade lol. She is now walking with the Lord with a new body with a new mind and no more arthritis. I'm sure she is talking his leg off. Peace be with you Bill. Love Lisa
