“ Kara was one of the best friends you could ever have. We were so close when we were young but sadly we grew apart. We would randomly send a message to each other when we thought of something from when we were kids. I send all my love to her children. She was a great friend and mother. Deana (Tyler) Taylor 🦋

“ To Kara's family,  
I am so sorry. Kara left way too soon. Kara and I were extremely close in school. She was so bubbly. I miss that Kara. Bless her sweet heart. Kara and I unfortunately would meet in the bathroom every day at McKinley and smoke. We were caught a couple times and with a smile on her face she didn't care a bit to give who ever caught us just as much grief as they gave us. She was so funny. I have so many memories of Kara coming to class late with that same big smile, ear to ear, and chewing that gum as if she would never get another piece and she would lock eyes with me the whole way to her desk. Lol. That was her way of telling me she had been up to no good. I miss those days.  
Kara there will always be a special place that you will fill in my heart. I will always cherish the time we had on earth together. Im so lucky, and completely honored, to have had you to call my friend. You're now free, happy, young and healthy always. Until we meet again my friend,,

“ I went to Baker Elementary with Kara. Many years later she saw me at Bob Evan's where she was working and she remembered me from all of those years ago. It touched me that she remembered a former classmate. Sending prayers to her family and may she Rest In Peace.
