“ Kenny was a class act. I only knew him through delivering a Blackburn Marine order to him every Tuesday. Always pleasant, always welcoming, always wanting to chat awhile. And he always wished me safe travels when I left. Tom

“ I've known Kenny since elementary and jr high days. He was a strong minded person who back then didn't believe in bullying. He saved me often from being beat up. He would walk me to school just to make sure everyday. I considered him one of my best friends and a hero! I'll miss you bud!
Prayers to his family!

“ Lot of memories of him, back when he worked at the Harley shop, bought a lot from the marine shop, he would loan you the tools you needed for boat repairs. Just drop off 3 9.9 engines couple weeks ago. He had his hands in a lot of things over the years remember his black corvette, and he bought a Harley from us. He had a silver bike not a Harley can't remember what it was. But he was always funny to be around on rides and helping people. He will be missed, prayers for his mother and family.
