“ My memories throughout my life is that Kyle and Barbara Hall cared about all young people they associated with as they supported their children's activities. I'm grateful for their encouragement of me and the great association although limited I had with them. Kyle Hall has left a great legacy to follow; to be an encourager and to look for the good in all people! My condolences to Walter and all his family.

Teresa Will always Remember the first time I met Kyle & Barb. I worked With His Sister Nancy at City Hall for 14 1/2yrs. And she hated mice so she called Kyle and Barb to rescue so they drive all way from there home to Pineville to set mice traps and try to get the thing she was scared to death of them. If I not mistaken they even spent the night until they caught that mice the next day.

Then several years later Nancy & I drove down to met your Mom & Dad at the National Quartet Convention in Louisville Kentucky. We had the best time there for over almost hole week. Over the years we stayed in touched even after Nancy retired, I would ask about the family. I would here Barbra Ann stories. you would thought that her Nancy were sister not in laws.

Rejoices he is at peace and having great reunion in Heaven with all his loved ones. Prayers to all from Elizabeth & Lindsey Kennedy.

“ Kyle was a wonderful man and my first cousin. His Mother was my Dad's sister so there are many memories of our years growing up on Crooked Creek, WV with our homes all so close together. I loved his big smile and his positive attitude. His memories of experiences in his life were always so much fun to hear. He could relive things he had done that would always make you laugh. I am especially grateful to Kyle and his wonderful wife Nancy for making my brother Roger feel like Kyle's brother. Regretfully due to a Doctors appointment and a second COVID vaccination we can not attend Kyle's Funeral.

Our love and prayers go out to all of Kyle's family and friends. I pray you will feel God's loving arms around you as you go through this very difficult time.
