“ Leah had a huge heart. She was a wonderful medical assistant. I often think of her and the great times we had at work and how hard she worked. I wish we could relive those days. I am so saddened by this news.

“ Sandy, Kaylie, Cole, Levi, Mason, and other family I want you to know how truly sorry I am. When I first met Leah at ball practice (Levi and my grandson) I thought she was loud and obnoxious 😂. As I continued to get to know her throughout the season, I changed my mind. She grumbled often but she always had a smile and found the good in a situation. We became friends and I learned how much she loved her family and rock music. Getting reconnected with her over the past year was so nice and she cheered as loud for our Tucker as we did. I will miss her and her smile. Rest in peace, my friend.

“ I will always hold dear, precious memories when my niece Leah, my children and all my other nieces and nephews stood by my dad’s fireplace, excited to hear sleigh bells and waiting for Santa to come down the chimney. Such happy times. I will never forget the smiles of my parents, delighting in their grandchildren.
Leah is gone way too soon. My love and prayers to all those left to go through this sad time of missing her.
