“ *What I remember most about my aunt Linda. Two things really, her unwavering, love and devotion to my uncle, Steve and her beautiful smile. I know they were together more than fifty years, but for them together meant, you never saw one without the other. Not only did they love each other, but they enjoyed each other's company. No matter how much time passed between when I saw them, when I saw them, they were always together. And when you saw Linda, her face would light up with a smile, and that smile would light up the room. She had a beautiful genuine laugh and smile that made any one feel welcome and loved. I'm sorry we didn't spend more time together, she was a sweet woman and she will be missed. My prayers go out to my uncle, Steve for the loss of his lifelong companion and to her children and grandchildren who she loved dearly.*
