“ *Lionel you are and were a great man and father. You always provided for your family. For 3 years we watched your health deteriorate. It was so hard on us but you kept trying. I wish you could have gotten your chance to ride your Harley, that you loved doing. I'm thankful your not suffering any longer. We sure do miss you, more than you could imagine. Forever in our hearts. We love you!! RIP:  
Love your wife Carol*

“ *This grabs my heart. While I reached out to him in his bad days I was not able to talk to him because of his health. My heart and prayers go out to family and friends left behind. Lionel was a true friend and great confidant. I will miss him.*

*He was a wonderful brother-in-law, along with what I always seen he was a great husband and dad ! When I would ever stop by , he always asked are you hungry , he made me one of the very best( fried egg ) / with cheese and tomato, man was that good ! It's so hard to see his car , he always kept his car spit shined . He always walked tall and proud as he should have . I know without a doubt he loved my sister , and the children ! One thing for sure he loved when Carol Jane made him his cherry pies. This man will be thought of often and missed until we see him again ! Fly high and free Lionel we love you*
