

## Lisa Rice-Carney

October 25, 1968 - July 18, 2019

Lisa Rice-Carney, 50, of Tornado went home to be with the Lord, where she reunited with her beloved mother in heaven, on Thursday, July 18, 2019 at Thomas Memorial Hospital, South Charleston.

Lisa was born in Barberton, Ohio to Earl Franklin Hacker and the late Glenda "Sue" Patterson Hacker.

Lisa was a member of the St. Albans High School, class of 1986, and went on to receive a Business Administration degree from West Virginia University in 1990. She was a long-time office manager of Capitol Development, Incorporated, in St. Albans. Lisa was a follower of Christ and a member of the Teays Valley Church of God of Scott Depot.

Lisa was preceded in death by her mother, "Sue" Hacker. Lisa is greatly mourned by surviving loving husband, Daniel Carney; son Nicholas Rice of Hurricane; daughter in law to be Brittany Ferrebee, of Clay; daughters, Abigail Rice of Hurricane, Madison Carney of Philadelphia, Kamrynn Carney and Brooklyn Carney both of Hurricane; father, Earl F. Hacker of Tornado; sister, Stacy Mobley (Ted) of Hurricane; brother, Bradley Hacker of Tornado; niece, Bella Mobley; nephew, Parker Mobley. Also surviving are many other special nieces, nephews, cousins, aunts, and uncles.

Lisa not only touched the lives of her immediate family members, but was considered family to the greater Hurricane community. She has taken the role of football mom to many, and served Redskin Nation with pride for nearly two decades. Her passion for supporting her “dozens” of football sons with her cowbell could only be matched by her dedication to her daughter's gymnastics endeavors with her camera. Her children are her living heart and soul. Her sacrificial nature made the world we live in a better place, while her generous heart and loving spirit will be sorely missed by all.

A celebration of Lisa's life will be held at 8:00 pm Monday, July 22, 2019 at the Teays Valley Church of God, 185 Connection Point, Scott Depot with Rev. Melissa Pratt officiating.

The family will receive friends from 6:30 to 8:00 pm Monday, at the church, to join in honoring her life.

In lieu of flowers the family suggests donations be made to The National Kidney Foundation, Inc., 30 East 33rd Street, New York, NY 10016.

The family also asks that we, as individuals, always give more than we receive, as Lisa lived to serve others.

You may visit Lisa's tribute page at [bartlettnicholsfuneralhome.com](http://bartlettnicholsfuneralhome.com) to share memories or condolences with the family.

Bartlett-Nichols Funeral Home, family owned and located at 409 Sixth Ave., St. Albans is honored to serve the Rice-Carney family.

“ *I've been trying to find the word of how deeply sad I am not just for losing an amazing friend but for the grief and sadness Lisa's family is experiencing. I'll never forget the day I met Lisa, we had just moved here from Massachusetts and she came to welcome us with open arms. She immediately welcomed us as we were family! Lisa was the most loving, caring person that I have known. She has left a big hole not only in my heart but in everyone who knew her! Love , Debbie, Richard, Jessica and Devin*

“ As I write this, I am sitting here with tears streaming down my face as her sudden departure has shaken the community, her family and the many friends of whom she has touched. The memories of losing my own daughter the day after Christmas came rushing back as I read Nick's FB post on Thursday...I just couldn't shake the grief I was feeling, knowing how Earl, Dan, Nick, Abby, Stacy and children, and friends would be feeling and experiencing. We are promised that we will see our loved ones again. Lisa, we shall see you again and know that you are now rejoicing in Heaven with your sweet Mother, Sue! May God grant all of you peace and comfort as only He can do in the coming days, weeks and months. Love you! Evelyn, Sandy and Betsy Post

“ *I so envy where you are now. Boy did we have some great memories which are priceless and forever in my heart. Little did I know when I picked this little guy running around the YMCA gym one evening for my team that it was the start of a relationship that will last forever. Red, I love you. Earl, thank you for being the best Dad a girl could ask for and continuing to serve as RedSkin Nation's Papa. I have Lisa's spirit firmly entrenched in my heart elevating me to new heights in extending myself to put a smile on the face of others. I can see Lisa already forming Gods football team serving as the team mom. Lisa was the very best Hurricane supporter. The very best. I love you girl.*

“ Oh, where do I start with memories? The first day we met in high school? The first time I went to her house or her to mine? The times we went shopping at the Town Center?

*She laughed so hard at me I thought she'd wreck when she drove us to our high school graduation practice and I had to change clothes in the car. She had a wicked sense of humor, and she was so, so smart.*

*She introduced me to the wonders of Shrimp Fried Rice and got me an electric wok for my wedding shower! She was in my wedding (along with our friend, also named Lisa). She was the first person I called after I had my oldest child. She was an inspiration to me in how she carried herself with grace and strength. Knowing she's gone makes my world less soft, less friendly.*

“ Some feel it is good to be rich while others feel it is good to be strong. I feel it is better to be loved by many. Lisa, my friend, you were loved by soooooo many. You earned each and every one of those friends with your kind and loving ways. God bless your family during this painful time. They can rest in the fact that you are with your Lord and Savior.
