“ Lisa and I got off on the wrong foot,we both had children with the same man,after the years though her heart got a soft spot for me and we became friends her son like mine my daughters like hers she was the only person that helped me however she could when I was going through alot of changes in life,she would say let's go for a ride we would end up on some back road in ohio just laughing at the dumbest stuff,she was definitely unique,hard when she needed to be but a heart bigger than most knew,I'm shocked to hear of her passing I didn't think anything would stop her she was invincible I hope kagen n justin know how much she loved them and to what lengths she would have went to provide and to see them smile,you truly are gonna be missed lisa by all that knew you,to Janet and the family my condolences,kagen I'll see you when you get home,justin keep your head up and lisa rest up n tell my daddy up there to quit shaking his head I know I know lol
