“ *Lorrie Jo was my niece and I always looked forward to seeing her when I came to WV to visit my sister, Martha. Lorrie Jo was very loving & cared for others. She took care of our Dad, Laurence Cooper the last year of his life, so he could stay in his home. That's when I got to spend more time with her & we talked about Faith in Jesus. She had been watching several preachers on TV & she was interested in going to church. I loved her dearly & will miss her very much. (her Aunt Judy)*
