“ I did not know Mrs. Hodges, but after reading her obituary I found out we are related, her father Lemuel was my grandfather's brother, which would make Mrs. Hodges my second cousin. Shirley and I talked to each other a lot but i never knew the rest of the family except Rufus who met a few times. I know that this probably won't mean anything to her family, but I just thought I would let them know in case some would like to contact me. I know she will missed by those who knew and loved her and may God be with you in your time of sorrow.
