“ I attended Ruth Miller's class at SAHS in the 60's. She was a great teacher and a very nice gracious person who put up with my shenanigans with laughter and humor, which was rare at that time of strict disciplinarians. Although I have been gone from WV for over 50 years, we had a connection through my Miller relatives so I was able to follow Ruth's progress through the years.

“ *Ms Miller was my neighbor and also my typing teacher in high school. Although I have been gone from St Albans for over fifty years, I remember her walking every day and enjoying evenings on her parent's deck with family. Rest In Peace.*
