“ I got to know this man thru me working at the Eldorado for nearly 16 year's now. In all that time when Mark would come in I never saw a sad look or anger in his face. We joked and carried on. Talked about our Military time and we got to be great friends. I am going to miss you Brother. But I'm sure we will meet again. RIP and thankyou for your service. Peace Bill "Billz"Fitzgerald.

“ He would Charlie Horse me every chance he got as I was growing up. He was litteraly the strongest and coolest guy I ever knew. I remember when he came home from the military and thinking this is what the Army is and wanting to join one day because of who he was. I remember watching UFC with him before it was popular. I will miss his unique way he showed you he cares. He will truly be missed by everyone who had the pleasure of truly knowing him. Love you forever Old Man!
