*There are no words. Mark was a fun loving, kind friend that I met when we both attended Hates Junior High. We graduated from SAHS in 1985. I saw him a few years back at the school I work for...he had a job inspecting kitchens for KCS.*

*When we saw each other we picked up as if we had just seen each other at school. Talking...catching up on each other's lives.*

*Kindness and the most incredible smile.*

*Mark... you are already missed terribly as my mind and heart just read of your loss.*

*With love.... cindy Oakes Harman*
