“ I had the pleasure of knowing Matt in our younger years. From a very young age, we grew up together (along with his brothers and my brother) at the Church of Christ in St Albans. I have so many treasured memories with Matt...from church camp to all of us teenagers hanging out at Mike and Judy's to some pizza parties at Pizza Hut. He always had a way of making us smile and we were all more like family than friends. My heart goes out to all the ones he loved and the ones that love him. Continued prayers for all of you today...and the days ahead. He will be sorely missed by many. Rest easy my friend.
