

Matthew "Matt" Harman

September 9, 1964 - March 10, 2026

Surrounded by family, Matthew J. Harman, 61, of St. Albans went home to be with Jesus on Tuesday, March 10th, 2026 at Thomas Memorial Hospital in South Charleston following a cardiac event.

He is preceded in death by his parents Danny and Alice Harman, and his brothers Cameron Harman and Marshall Cerullo.

He was a graduate of Nitro High School, Class of 1982. Many remember Matt working on their vehicle at Harman's Body Shop in St. Albans alongside his father, Danny. When you walked in, you could smell the aroma of paint mixed with coffee. You knew you'd be greeted with a friendly conversation and the occasional pack of Skittles Matt kept on hand. He enjoyed hunting and tinkering around in the garage, and he loved spending time at his family camp in Upshur County roasting pigs on July 4th, riding four-wheelers, and sitting by the fire sharing stories of memories past.

He is survived by his children Danielle Hensley (Harvey) of St. Albans, Matthew Harman (Ty) of Hurricane, and their mother Lorrie Harman of Nitro. He is also survived by his siblings Gale Harman (Jodie) of Tornado, and Jennifer Knapp of Savannah, GA. Matt loved his grandchildren, they were his entire world. He always looked forward to seeing them. For Addyson and Kolton, he had a list of things to help him with around the house and was

always ready to watch movies with them. For Larson, Lennox and Link he was ready to surprise them with candy and sweets. He always made sure his grandbabies were happy and loved. He was also graced with 13 nieces and nephews, uncle, Gareth Harman to whom he lived with, many loving aunts, cousins, and friends who became family along the way.

A visitation with family and friends will be held from 6 to 7:00 p.m. prior to the memorial service.

The memorial service will be held at 7:00 p.m. Friday, March 20, 2026 at Bartlett-Nichols Funeral Home, St. Albans with Pastor Paul Ronk officiating. A private burial will follow at the Harman Family Cemetery.

The family wants to extend a special thank you to the Thomas Memorial Hospital for taking great care of Matt, and Bartlett-Nichols Funeral Home for always treating our family as yours.

“ *I'll always remember him at the ball fields and of course band competitions. Matt was always trying to make everyone laugh, and sometimes I think he did it without even trying. He really loved his children and was so proud of them into adulthood. I loved running into him over the years and he would reminisce about them being little and now he was chasing grandkids at ball fields. Last Spring my family ran into him at City park in Hurricane as he was there to watch one of his grandsons play. He talked about every single one of the grandbabies.*

Love to both Danielle and Matthew as they navigate this challenge.
