We all here at KEMBA Charleston FCU are saddened to hear of Melissa's passing. Melissa and I go way back when she attended High School at St Albans and she came to Peoples FCU in Nitro to work on a weekly basis. Then I was so excited when we were able to have her come here to KEMBA when I came here. For many years she brightened our days. We have remembered her over the years after she left and we now pray for your family and will meet here one day....but this time she will be healed and in a perfect body.

Love and prayers,
