“Patty, over the years I have thought of you and Doug so very many times, and remembered wonderful things about each of you. I had tried to find you all on Facebook a few years ago and was unsuccessful and today I googled Doug and found that he had died last year. He was a wonderful man, a good friend and an asset to the community where he grew up. I don't know if you were aware or not but John died in 2004. He and Doug were such good friends. I wish I had known about Doug's death so I could have shared some of my memories. I hope you are doing well. I remember so well reading your book about your young life in Saint Albans, and having such laughter at the things you experienced. Much love to you and your family, Suzanne.

“Patti, I worked with Doug in the late 70's when he was the interim president at Parkersbutg Community College. Doug was the best boss and became a friend. We spoke of our sons, both named Mark. Prayers for you all during this time.

“ Doug, assuming you are able to read this from the other side and assuming you aren't too busy with your new duties to glance at earthly tributes, I render a solemn salute for your service in the United States Army as a Ranger. The last time I saw you was at Evan's Grocery Market when I came home on leave as a lieutenant from Pilot Training. I just read this marvelous account of your achievements, service and loving care for others. I knew you were great, but this puts icing on the top. It is my honor to know you, and I'll see you on the other side of the veil when we'll have more time to talk. Hand Salute! Colonel Curtis D. Dale, PhD, USAF (Ret) Class of 55. "Curt"

“ Doug was a year ahead of me in school, so I didn't know him well, but in addition to his being a star athlete and a leader among his peers, he was kind. This is vague memory, so I may have some of it wrong. In one of the homerooms was a girl who did not dress well and often said unsavory things. The boys in that homeroom voted for her to be a queen contender, thinking it was a funny joke. She was so proud, thinking it was an honor, but she did not have a date for the event where the homeroom queens would be introduced. Doug asked her to go to it as his date. This overwhelming kindness was unusual for a teenaged boy.
