Mike was a great cousin, he was always good to me when I was a little girl with all boy cousins. He was like an older brother to me. I pray he lands softly in Gods loving arms and he is now in the loving light of Heaven.

“ We used to laugh and sing in study hall. Mike always had a smile on his face and never failed to put a smile on mine. I have not seen Mike for some time. I will miss him. The world is a little less kind and gentle without him. RIP my friend.
