“ *Mike, you were one special man to me. I was almost a sister in law and I know you are up there catching heck from everyone for not taking better care of yourself. I am going to miss you coming around and asking for a Pepsi or change. Anytime I didn't have it you would say " I'm going to try to pull a rabbit out of a hat. May you rip and no more worrying about you eating or staying warm in winter and cool in summer.*
