“ *I can remember when we were very young, maybe 9 or 10 years old, I got into a fight down near belvil elementary with both Mike and John hahaha. You know, as kids sometimes do. We became really good friends after the fact. Mike always had your back and I will miss him very much. We hadn't talked in years as I had moved away after joining the Navy but I never forgot and will never forget him. That boy could run a football as well!!!*
