“ I'll remember my childhood friend with memories of Benedict Circle, playing on the playground with the neighbor kids, first grade at Hansford Grade School, Brownies at EUB Church, our Dad's Ham Radio Hobby with home visits where we played together, Saint Albans Jr High, Saint Albans HS, our good friends Beverly (RIP) & Teresa, reuniting years later when I lived in Thomasville, NC and you lived in Matthew's, NC, we've always kept in touch over the years. You lost the love of you life and recently so did I. I'm sure Dave greeted you as soon as Saint Peter opened those golden gates. Please tell Leonard how much I miss him and we're doing fine. Thank you for all your pep talks on how I would get through it. Thank you for being my friend, the Heavens gained another bright and shining star ✨ Charlotte

So sorry to learn of this loss, many sweet memories from the first years of my marriage to BJ Michael and getting to know the Hale family. Although Libby has been living in Kansas for many years I was so happy for her to return to her Mountain Mamma Home to reunite with her St Albans friends. She was so excited for her upcoming reunion of the 1973 class if SAHS and being an active part of her church. This is a bittersweet reminder of the fragility of life, my friend ❤️🙏
