“ *Mrs Lefevere was the kindergarten teacher for our son who is now 39 years old, at Village elementary. She was an incredible teacher- the perfect person to introduce young children to the joy of learning. She taught Aaron's class to sign and when I hear Joe Cocker's "You Are so Beautiful " I can still see those sweet faces in concert singing and signing that song. Prayers of thanksgiving for her and of comfort for your family and in honor of wonderful teachers everywhere. Denise and Mike Burgess.*

“ I went to HighLawn Elementary with Nancy and we made some great memories there. I believe we were also in the same GS troop. Walnut St. split us up for Jr. Hi and then we were again together at SAHS Class of 70. The one thing I remember the most about Nancy, in addition to her being a great student was her ever present smile! Nancy was a blessing to know!
