

Natasha Morgan

December 13, 1973 - January 30, 2026

Natasha Morgan, 52, went home to join the Lord on January 30th, 2026 after a prolonged illness.

Born in Miami, Florida, Natasha brought the Florida sunshine with her wherever she went. Her passion in life was helping others and through both community acts, such as volunteering at the animal shelter, and through her profession as a special education teacher. To know Natasha was to love her and be able to be touched by her kindness, bravery, and love.

While she is gone from her Earthly body, her spirit lives on in her daughter Alanna Marie Morgan of Saint Albans, her husband Dwight Morgan of Saint Albans, her mother and father Elaine and Roger Hensley, her sister and brother-in-law Amy and Jeff Martin, her niece and nephew MacKenzie and Brodie Simmons, and her mother-in-law Joyce Carol Morgan.

Natasha leaves a legacy of kindness, acceptance, love, and so much more in the world. She is preceded in death by her grandparents Opal and Clifford Hensley, her father-in-law Delmar Morgan, and countless fur babies. She no longer feels and is free to live a beautiful life as she wanted.

Per Natasha's wishes, there will not be a traditional service, instead the family will hold a celebration of life in the spring at one of her favorite state parks.

In lieu of flowers, the family asks for friends to make donations to a charity of their choice.

You can visit Natasha's tribute page at BartlettNicholsFuneralHome.com to share condolences or memories with the family.

Bartlett-Nichols Funeral Home, family owned and located at 409 Sixth Ave., St. Albans is honored to serve the Morgan family.

“ I had the extreme pleasure of being one of Natasha’s nurses when she was in Cleveland. Her sweet spirit and smile will live on forever in my memory. As a nurse, you come across patients who touch you in such a profound way that you will never forget them. I will never forget Natasha. She will always be loved by her family. My sympathies are with her family and friends during this difficult time. Thank you, Natasha for touching my heart in such a way that it changed my life.
