“ *I watched Nathaniel grow up with my boys. He had his wild side but was a sweet young man. He was always willing to help when he could. He helped David repair my busted pipes in the freezing winter. He came by my house 2 days before he passed to show me his Harley . He proudly told me he was working to turn his life around. I remember his sweet smile. As he left I told him to be safe and I loved him. I will miss him terribly. 💔😭*
